Dear Friends of Sanford Springvale News,

We are a nonprofit group of volunteers that believe having a source of accurate and unbiased local information to keep our residents informed is critical to a healthy, connected community. This is especially true at a time when it is hard to know if what you see on the internet and social media is true. The Sanford Springvale News provides information from City Hall and the Sanford School Department; opportunities for fun and adventure; interesting articles about history, nature and the arts; great local photography; sports news and the latest schedule of upcoming events.

To be responsible and involved citizens, we need to know what is going on. To read the free Sanford Springvale E-Newsletter (emailed to your inbox), go to SanfordSpringvaleNews.com for our online edition or to sign up for our E-Newsletter. Eventually, we hope to return to publishing a free paper edition. We rely on donations and sponsorships to continue this very important work.

Sincerely,

Sanford Springvale News Finance Committee
